Once New Duty Station (receiving) SLO is identified, current SLO sends email introduction of family to receiving SLO, attaching completed transition form. Pending school information provided by family, current SLO can provide Info Paper for new Army duty station and must provide Transition Checklist. The receiving SLO should engage with the family for school transition support. If a Youth Sponsor is requested, receiving SLO is to complete an email introduction to CYS/School Youth Advisor. The Advisor initiates YS request form and process for Youth Sponsorship to include assigning a Youth Sponsor.
